

# Museo de cera

Señorita Harris has a very successful chain of wax museums that educate students internationally about history, the arts, and sports. She has personally invited you to create a wax character for her newest exhibit featuring famous Hispanohablantes in celebration of Hispanic Heritage Month.

You have already had the chance to preview the exhibit and get a feel for the atmosphere for which you will create your character. Below, you will find the demanding requirements from Señorita Harris that you need to follow to insure that your wax character will be featured in the new exhibit.

1. Choose a famous Hispanohablante. \_\_\_\_\_
2. Write (in Spanish) a 5-8 sentence paragraph explaining what city and country that person is from, what the flag looks like, and the major exports of that country. (Novice Mid 12- I can write notes about something I have learned)

This will sit out as a plaque in front of the wax figure for the visitors to read.

3. Write and MEMORIZE a paragraph (about one minute long) with information about your character. This will be heard as visitors come by to see the exhibit. This needs to include an introduction in the perspective of the famous Hispanohablante and a description of why he or she is famous. (First person, use the “yo” form). (Novice Mid 13- I can present information about myself and others)
4. The exhibit must also include a visual of the flag, a name placard, and an image of the Hispanohablante to be featured.

\*10 extra credit points for the fan favorite figure who looks the most like his or her Hispanohablante\*

Your exhibit will be shown on \_\_\_\_\_ el \_\_\_\_\_ de \_\_\_\_\_.
