

**The Capitals of Spanish-speaking Countries Song
(Sung to the tune of the Battle Hymn of the Republic)**

México, D.F. capital de México
Guatemala, Guatemala, Mayan ruins show
El Salvador, San Salvador
Honduras is quite long: Tegucigalpa (pewh!)

Nicaragua mans its Managua
San José looks out for Costa Rica
Panamá and its twin Panamá
Cuba, La Habana

República Dominicana, Santo Domingo
Puerto Rico has San Juan and wants to be its own
Venezuela has Caracas (shake maracas now!)
Colombia, Bogotá

Ecuador has Quito on the line
Perú has Lima and the beans on the vine
Bolivia, La Paz y Sucre, not just one
Santiago, Chile, thin.

Argentina, Buenos Aires, good air all around
Paraguay has Asunción, going up - not down
And Uruguay, let's go rent a Montevideo
Madrid, España ¡Olé!
